### Book Description

19–12. Alvin Lustig, cover for Tennessee Williams’s 27 Wagons Full of Cotton, 1949. Lustig understood the frail human spirit and brutal environmental forces articulated in Williams’s plays.

### My Description

I chose this simply because I thought it was a pretty picture and I love the vibe it has to it and the font that they used because it matches the mood and aesthetic the image has and I think it looks really nice.
